

“Energetic! Fun music for the whole family. Kids (and parents) sing along to Miss Maggie’s original and engaging music! She is a regular performer in our Children’s Series.”

Becky Richards, Superintendent
Berks County Parks and Recreation

“Miss Maggie knows how to light up a room and a child’s face. During a show, the children clap, stomp and sing along to the interactive songs. The props are a perfect complement to the fun and educational lyrics. All of the programs Miss Maggie offers are wonderfully entertaining for the young and the young at heart!”

Lauren McCarrol, Events & Education Manager
The Reading Public Museum

“Thank you so much for bringing Miss Maggie’s Mother Earth Show to the PA Energy Festival. Your show is wonderful! I hope you will come back every year.”

Janice Eshelman, Music Coordinator

Barb Bieber, Sr. Cancer Control Specialist
Berks County American Cancer Society
